Narrated by the SPIRIT-OF-TRUTH
By RD: Reclamation-Decipherer

So faithful we hope you are not buying that bullshit

about the end-times, we hope you are not buying any bodies bullshit about the end; you will miss it in know-time.
We hope you understand know body dies in GREAT-I-AM reality. He is know-respecter-of-persons, so what happened to CAIN is happening to all who desire to do evil and believe a lie,

once you believe a lie you are in the matrix, in a delusion to repeat your sin again till you die or repent of the lie you believe.
I struggle to go on, I think of my loved ones, we press-on.

In death you continue in the sin that killed you in real-time. In spirit you continue feeling know-time with your lies and desires that killed you. You are still in the matrix in know-time. Those familiar feelings that help lead you to believe a lie, that is kept alive over generations by familiar people (or familiar-

spirits) you know that died believing the same lie, are all in know-time influencing the same lie in real-time. That is why it is so hard to convince people about race, there are know races. People do not understand what happens to their mind when they go against GREAT-I-AM doctrine. You must understand you do not

die in GREAT-I-AM system.
HE is the PMG-PERPETUAL-MOTION-GOD.
When people have know idea their past or their presence and know thing of their future, then they listen to 40 lies about their past, present and future instead of HIS-WORD, faithful they will not listen

to you, they love-the-lie-that-gives-them-sin, in real-time and know-time. I hate to get melodramatic this are serious issues. The washing of the spirit is important, in the TEXT and in life. People in real-time they go to prison when they do badly. In know-time it is prison when you die from real-time: know-time to live

your sins over and over
then you lust and desires
over and over and over with
your sins over and over,
with know-time to sin. You
can't sin in KNOW-TIME.
You are a projection from
real-time; you are a
projection of your spirit,
your spirit lives forever you
are a part of PMG. If you
have been reading the

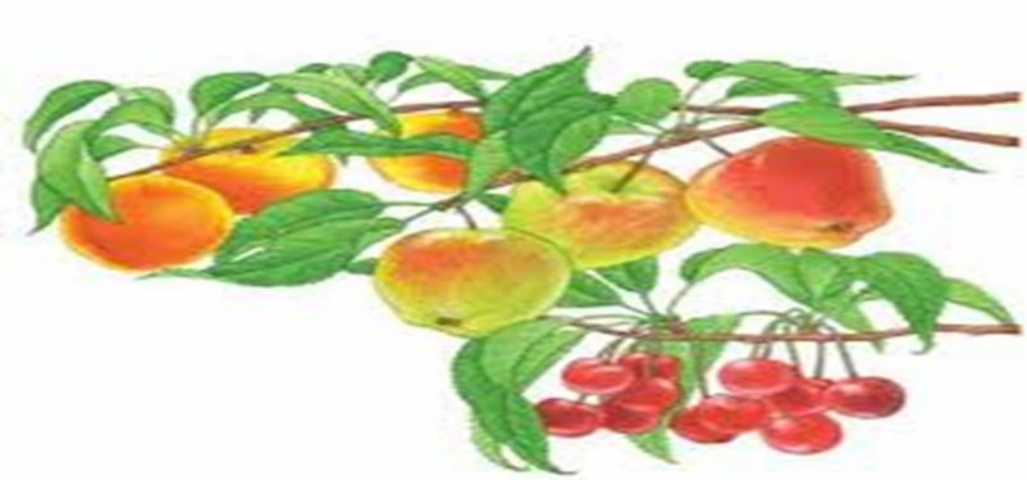
doctrine you know the ten-percent is running out. GREAT-I-AM will not tolerate that bullshit in know-time, not one-percent more than ten-percent of the bullshit not against GREAT-I-AM, we all have to deal with the know-time influences. Getting louder and louder, when will GREAT-I-AM move? What

do you think; GOD will move to kill you? You believe a lie. Your spirit will burn to know thing in his perception; HE is THE TRUTH-IN-ALL-THINGS. You cannot believe lies and be in HIS perceptions. Why is this so hard? They will not judge and they

(believe a lie, they will not .

We are telling you where you are at in the present. We told you your past, now the present. Understanding is the KEY. We need another recap: Always judge to a truth. Start

with basics; GOD will not kill, GOD is know respecter of persons. We have judged that you never die in HIS reality.



In know-time is where the action is. We have judged that your desires will rule

you when you believe a lie against GOD. When you believe a lie against GOD, you are stuck out in 10-percent of his reality that functions right. The reality created by immature-minds in GOD-school with know life-experiences to make right-judgments. Where their minds created 10 percent of the perceptions

of GOD we all have to live in.
HIS fail-safe-system, controlled by the SPIRIT-OF-TRUTH, the system protects you from yourself in iniquity. Thank GOD PMG to make an awesome system we cannot see in ignorance. In all we perceive is only ten-percent of GOD from our first parents. In that

ten-percent, we live and we die in real-time. The fail-safe-system recorded all what those immature-minds were doing in know-time while they were in school to be GREAT-I-AM recording of their doctrine that will outline for the gods to come after and the foundations of our environment we will live in.

The immature-minds did not what GOD said, being immature they desired the good things, rather than judge how much is too much, as GOD said, "how their desires rule them". In know-time their desires were before them, being recorded building the foundations of our ten-percent in HIS reality. Also

that their desires are from disobeying GOD their perception of GOD is also forming their prison-system in the ten-percent, GREAT-I-AM does not kill where you going to put all the souls that believe a lie and die. That is why there is know-escape from believing a lie; your-mind-is-your-jailer, part of the

fail-safe-system ran by the SPIRIT-OF-TRUTH, the HOLY-SPIRIT whatever you call HIM. We never stuck on names of Our GOD, HIS name is what he does for us. So if we change the name do not get offended, HIS name changes to fit our perceptions of what HE does so faithful study to

understand, never rush to judge.
As GOD tells CAIN, "his behavior will rule him," he does not believe GOD and the delusion took over his mind to where he see himself kill ABEL like you watching TV in real-time, there is know real-time until the doctrine is complete. It will be

complete as soon as his desires in know-time of believing a lie are played out in know-time and kills ABEL.
Now before CAIN kills in his dreams, ABEL is in GOD school with his father and mother and step brother CAIN, yep the First-family was a broken-family. GOD said in the beginning

"ADAM your first born son will be righteous" to fix the lies, in all-time. If you have not read History-of-the-Doctrine-of-Believing-Lies you will get a good recap of the first-family if you read it, we press-on for understanding.
ABEL is actually studying from his father the ten-percent Adam learned,

while Eve and Cain are raising hell, in know-time. ABEL wants to fix what they are doing by doing right; HE is the RIGHTOUS first son. ABEL being born in know-time under the recording of the SPIRIT-of-TRUTH while in GOD-school, Adam and Eve were not married by law, and Adam and Eve

consecrated having sex and making ABEL in know-time by believing they can (do not what GREAT-I-AM says, and not die), or (believe a lie, we will not die). ABEL the FIRST born from Adam-seed is about to be GOD of the mess immature-minds make. I love my recaps they are evolving, we press-on…

Within your understanding you know what we speak is true, you dream these dreams all the time in know-time, in real-time we are shown these acts in everything we do; the young making policies, you see that all the time in real-time like they have all the life-experiences to make right-judgments.

Those are the spirits that haunt everyone. Every act while the immature-minds were in GOD-school will haunt you and every dead spirit in know-time that died believing a lie were haunted by the same acts in GOD-school, it is easy to trap you, the spirits can use the same lustful feelings or familiar feelings

to persuade you. It continues and multiplies in know-time when you let the desires to rule you, until ten-percent is reached. Tell me are you sure you don't believe a lie. Have you checked yourself; if you believe man you believe a lie, have you judge everything you do as in truth, have you found the

truth in anything? Now, really from your heart now, while looking in your eyes, have you found the truth in anything? You should think about what I say, we press-on.
You think, you believe GOD, why doesn't HE just stop all this madness? Is that fair, HE being know-respecter-of-persons?

With the death of ABEL in Cain's mind ABEL by birth and death of (believe a lie, we will not die) THE-BULLSHIT-DOCTRINE is born. With you know WHO? GOD of the doctrine LORD ABEL and the spirit of the doctrine (which is bull shit, believe a lie, we will not die) SATAN is born; the

PLAN and the FIX were in for ALL-TIME.
We have mention before, SATAN is thinking, what is this bullshit I have to work with. Think faithful, the spirit is born from what? Death, and the death of who? Know GOD can die. Faithful, the immature-minds have introduced the worst thing to GREAT-I-

AM perceptions, A-LIE. LORD ABEL faked his death, in know-time. That was the only right thing to do, and become the GOD of the doctrine HE knows is bullshit.
GREAT I AM knows it is bullshit, LORD ABEL GOD knows it is bullshit, and SATAN knows it is bullshit. There you go the father,

the son, and spirit, are all in agreement, this is bullshit for ALL-TIME. GREAT-I-AM suspends GOD-school and the immature-minds, HE tells them "you are gods now as men in real-time", because it started. SATAN has his doctrine to work from, to search the minds of the ignorant. LORD ABEL been

hanging out in ALL-TIME as GOD and knows the PLAN and the FIX to save the SEED.
That was a recap for the children-from-ignorance in love. Now, back to the finally. What do you think will happen when the washing away of the know-time spirits that believes bullshit? That influence will

not be there anymore. You know that prayer our LORD JESUS taught >as on earth as in heaven< I will be praying that you STUDY, we all have our own perception of GREAT-I-AM in TRUTH, remember HE is so much more, HE is the TRUTH IN ALL THINGS. How can you believe-a-lie against our LORD?

I hope you are studying. It will end as the WORD says. The washing or baptizing is the acts on earth, in real-time. The washing in heaven is the act in know-time. We have judged that the acts of the flood did not happen in real-time, on the

fact that GOD does not kill.
So if you are on this notion that GREAT-I-AM would kill and still be your god and let you into heaven, you believe the doctrine you are condition to believe, (believe a lie, we will not die). Before the spirit washing bullshit away, what does it say, "HE will lead

the captive to safety", HE will preach to the captive in know-time, in-heaven, as he did on-earth in real-time.
So as we write, someone is preaching in know-time to the prisoners of the lie that put them there in the spirit realm, to repent of the lie.
For some we know it takes time, those lies are

wrapped around everything coated with fear, guilt, anger, and sin, all the things that will keep you from away from GOD, to be a god in the bullshit doctrine of (believe a lie, we will not die). To those that have already died, it will be even harder to repent stuck, in know-time, to repeat the lie over and

over with know-time to sin, know time to do anything but that lie they are stuck on. We pray they will hear and leave know time before GREAT-I-AM moves. PMG-PERPETUAL MOTION GOD, always moving, then why do you say "before GREAT-I-AM moves", is HE perpetual motion? Always moving, but think faithful,

HE stopped moving his perception of YOU, when YOU start believing a LIE. A lie cannot be in HIS perception; it does not exist to PMG. HE STOPPED JUST FOR YOU to save you from yourself. GREAT-I-AM told me; HE will not lose any of HIS children of ADAM-SEED who do not believe a lie and the

innocent, NOT ONE! You hear, not one and the innocent. The innocent that have died in real-time will be set free. Where to go; if know one dies in GREAT-I-AM reality? Remember GOD is know respecter of persons either. PAUL says :>("And when all things shall be subdued unto him, then shall the Son also himself

be subject unto him that put all things under him, that God may be all in all. Else what shall they do which are baptized for the dead, if the dead rise not at all? why are they then baptized for the dead?" (1 COR 15:28-29)>. More on baptizing, it is never mentioned in OLD-TEXT. When you are ignorant you

would imagine what John the Baptist was doing is some kind of new cult religion going around, but it is not. The cancer is back, every passage to do with being clean, washed, or any such way has been tampered with in the OLD-TEXT to divert you away how important baptism is and connected to cleaning

GREAT-I-AM system and was to the HEBREWS following LORD ABEL their GOD.
The FLOOD did not happen according to the truth. When it does, we can judge that the innocent will be back in real-time. PMG has moved, know-time is cleaned out in know-time for all-time.

LORD JESUS gets baptized by JOHN the Baptist, in real-time, that signifies the washing of the spirit, in know-time from the flood. We don't care what they told you, are you born-again? This is for the faithful; the leech will always follow the faithful, especially when know-time

is cleared of all the lies,
for all-time.

Only the born-again will
glean information to help
others.

I can say it will be as the WORD says it will be at the end.

We have judged that the OLD-TEXT is also at the ending, the beginning of the endings.
Faithful you been studying, what happens after that spirit washing or LORD JESUS being baptized?

Three years of healing and teaching from our LORD. In prison is SATAN, you thinking, why not destroy the doctrine now, for all-time? Remember basics: GREAT-I-AM does not kill, GREAT-I-AM is know respecter of persons. Plus the bullshit-doctrine is what our ten-percent reality of GOD we have,

everything from the animals, to the way we breath, the foundations of our existence is in that bullshit. With know-time washed of the bullshit, if you believe a lie or ignorantly believes a lie, the innocent and the ignorant has a chance to be born-again, with know flesh-dying under the same

bullshit doctrine. Then SATAN is let lose by the NEW-SPIRIT-DOCTRINE controlled by the SAINTS that house the KINGDOM within, in know-time.
Are you following Revelations? In your heart you see light, hear.
Even in the three years of know-time influences, know-flesh-dying, and the

dead coming back from know-time, we still have the wicked leeches, our LORD and the SAINTS will try to convince them to be born-again and don't believe a lie, in know-time . Wicked-leech (serpent-seed) is all in with the bullshit-doctrine (believe a lie, we will not die). That fool believes to reach god-hood

all he needs is for enough to believe a lie, ninety-percent, God will kill them that believe a lie and the ten-percent of leeches left can go on to leech-hood, that is their bullshit-plan. Now LORD ABEL-JESUS tells NOAH his future, before his grand-son leech rapes him while drunk on wine. Our LORD is telling

his NEW-COVENANT people off the boat the troubles to come before they reach the promise-land, in real-time.
Our LORD JESUS ABEL will lead the people to the promise land in know-time. In that time the SAINTS will become doctrine-killers. They will be commanded by LORD-

JESUS-ABEL, the DOCTRINE-KILLER, THE-FIRST-AND-LAST, the WONDERFUL-HEBREW, GREAT-I-AM, GOD.
Your doctrine is always before you. Your writings, your drawings, your skills what you love to do right, is in your doctrine, and your doctrine is before GREAT-I-AM.

Let us see your doctrine SAINT. This is not Sunday-school this is doctrine-training for the end in KNOW-TIME.

LORD JESUS getting baptized by JOHN-the-Baptist in real-time is a

prelude to the flood to clean the earth of bullshit. With know bullshit, in know-time. Meaning know influences from lies from spirits, know-time will operate with know lies to trap you in know-time iniquity.
After the spirit cleaning, meaning when the flood that never happened

happens anytime soon, prepare-for-water in real-time.
Know body knows when GREAT-I-AM is going to move, we have judged that you will have to look at the end times as you look at seasons. Meaning; are things right for picking? We tend to pay attention to LIES and how ignorantly

they are believed. From: santy-clause to easter-bunny, to space-travel, and teaching your young not to judge rightly. How the lust for things are more important than blessing GOD for what you have already ate, wore, or drank. We see the times are in season for the-harvest-picking. We have watched

the wolf's told you when their lord is coming, and how much did it cost you to tell you know thing? They cannot tell you where EVE's SEED is kept or found, in the past or where woman has seed now. That is why only man begot man in the seed-watching by the HEBREWS.

We know the LIES have to go FIRST before GREAT-I-AM moves.

We are told by our LORD that it starts with the Days-of-NOAH, and we have judged that the days of Noah did not happen in real-time yet; the act of the flood was a know-time act or prediction. We

wonder what other acts that happen before the HEBREWS get to PROMISE-LAND were only predictions, told to us as living historical real-time acts? We know who controls the airways and the idols, the leech. We know who has something to do with the tampering with the OLD-TEXT, the leech,

the perverts, the fake-filthy-jew and his filthy-lucre they bought their way into your hearts with lies. Therefore faithful, what happens when everyone has to deal with know-time operating with know lies, what is real-time going to be like, with ADAM-seed and the serpent-seed? We always go back to basics:

GOD does not kill, and GOD is know-respecter-of-persons:
All the dead in know-time (spirit-realms) will be let out of prison, the innocent, and the ignorant. The innocent, who never learned or had know chance to learn will get their chance. The ignorant, which is led by their rulers to believe lies

from birth and struggles with it, they will have a chance to learn. Even the filthy-fake-leech, part of the ignorant will have a chance to learn GREAT-I-AM is always GOOD and always FAIR.
Many will live in #fear; GOD told NOAH, "Know flesh will die". There will be miracles, mass healings all

over the earth, the dead are back to life, and things will appear in know-time. Like what you see in the movies or on the box-of-covetousness.

The spirits that believe a lie that miss the boat

because they refuse to believe anything other than the lie they have died for, go straight to hell, waiting in total torment to burn to ash because you are know thing to PMG, lies burn in HIS PERCEPTION, HE is the TRUTH-IN-ALL-THINGS a lie will burn faced with the TRUTH. [Rev 20:13-14]:>And the

sea gave up the dead which were in it; and death and hell delivered up the dead which were in them: and they were judged every man according to their works. And death and hell were cast into the lake of fire. This is the second death. And whosoever was not found written in the book of life was cast into

the lake of fire. <Faithful do you understand where the dead are coming from to burn in the passage, from their first death or from know-time living as a spirit with a chance. They are the second dead that miss the boat in water from the flood from the cleansing that many of the

dead believed already happened. STUDY,
When spirits were stuck in know-time, stuck on the lie that killed them, all they do is relive their sins that killed them those that have died from believing a lie, with know time to sin. What will it be like when know-time is cleaned, what will happen with believing a lie

in real-time? The same, GOD is know respecter of persons, with know-time cleaned meaning know influence of the lie from spirit realm meaning SAINTS will have control over the spirit of the bullshit doctrine SATAN controlled by the New-spirit LORD JESUS sent back when HE faked his

death so we can get back in GREAT-I-AM graces. Part of the PLAN LORD ABEL and GREAT-I-AM put in action from the beginning to FIX all this bullshit, for ALL-TIME. Everything unfolds before your eyes in Revelations, when you believe know lie, in know-time. We rule the spirit SATAN, he is under us,

well-below us. He is the doctrine that controls everything and that everything has to go. We are getting everything new, in the end, know ninety-percent blockage from GREAT-I-AM, we get new bodies from LORD RIGHTOUS, the DOCTRINE-KILLER, leader

of the SAINTS, the DOCTRINE-KILLERS. FOR ALL-TIME
